Profile

Information Technology student at Shantilal Shah Government Engineering College (graduating 2026) with strong passion for software development. Skilled in full-stack web development using MERN stack technologies—MongoDB, Express.js, ReactJS, and Node.js. Hands-on experience building user-friendly web applications with clean, visually appealing designs and seamless functionality. Proficient in developing RESTful APIs, implementing secure authentication systems, and efficient database management. Enthusiastic about learning new technologies and contributing innovative solutions.
